When Greenwich Avenue Becomes A Strolling Gallery:

### Art to the Avenue 2010 – A Thirteen Year Tradition

Art to the Avenue, the Greenwich Arts Council's annual spring celebration, turns Greenwich into a strolling art gallery that brings contemporary artists to downtown store windows through the month of May. In recent years, Art to the Avenue has grown to include "Off Avenue" community locations that extend the reach of the exhibitions. All art is for sale.

The festival opens each year on the first Thursday in May with entertainers performing all through the downtown streets and most shops hosting special receptions for artists and the public.

*This year will be the biggest Art to the avenue ever, with 160 artists exhibiting in 150 locations from May 6 through May 31.*

**Opening Night Festivities**  
Thursday, May 6, 5:30 to 8:00 pm
