Greenwich Arts Council Awarded \$13,604.00 from the CT Commission on Culture & Tourism

The Greenwich Arts Council is proud to announce the receipt of a substantial grant from the Connecticut Commission on Culture & Tourism Organizational Support Program. This grant, for \$13,604, the largest ever received by the Arts Council from the commission, was awarded to support operating costs associated with the many public programs and activities that advance the mission of the Greenwich Arts Council.

"We are delighted that the Connecticut Commission continues to recognize and especially acknowledge the Arts Council's role as a vital arts resource in Greenwich and coastal Fairfield County," said GAC executive director Frank Juliano, "and we in turn, look to that growing partnership with the state as an essential component in the successful fulfilling of our mission."

The Greenwich Arts Council is well-known in the community and the tri-state area for world-class exhibitions at The Bendheim Gallery, and events such as Literary Lights Holiday Book Festival, Play With Your Food, Youth@Art/Student Docent Programs, the Greenwich Summer Music Series, and their signature program Art to the Avenue.

The Greenwich Arts Council promotes the arts by nurturing artists and building audiences, bringing the arts to the community and the community to the arts. Visit our website, www.greenwicharts.org.
